Foreword

The 1968 ALLEGHANIAN staff feels that no theme can express the past year as ably as the meaningful words of our "Alma Mater". From the first time eighth graders hear its verses to the final singing by the Seniors on graduation night it is a glorious, yet tearful, song exemplifying honor for Clifton Forge High School. The pride that swells within our hearts when the strains of "Pomp and Circumstance" reach our ears is overwhelming. Joyous voices, misty eyes, and expressive smiles share equal roles in the singing of this song. To all students who attend here, the respect and devotion that they feel toward CFHS is summarized in the inspiring stanzas of the "Alma Mater". Whether at an assembly as the Seniors march in, at the Homecoming game as the new queen is crowned, or at Commencement exercises after school officials have presented the diplomas, the "Alma Mater" stirs within ourselves a sincere admiration. With earnest humility, we proudly raise our voices, "Alma Mater glorious, . . . dear ole Clifton High".

Academics

Laughter after an unexpected joke is told, groans when report cards are distributed, and sighs after final examinations are over, are evident in any CFHS classroom.

Math and Science

Carole Deaton explains to Miss Hughes' geometry class a problem she has proved.

Since it is the most useful of all studies in most areas of work, mathematics is one of the most important and stressed subjects in the school. In CFHS there is a wide range of math courses, ranging from

general math to trigonometry. Each course teaches the fundamentals of math which will aid each individual in any field of work. Math is a constantly progressing subject in a constantly progressing world.

Mrs. Perkins lectures to her bewildered plane - solid - coordinate class.

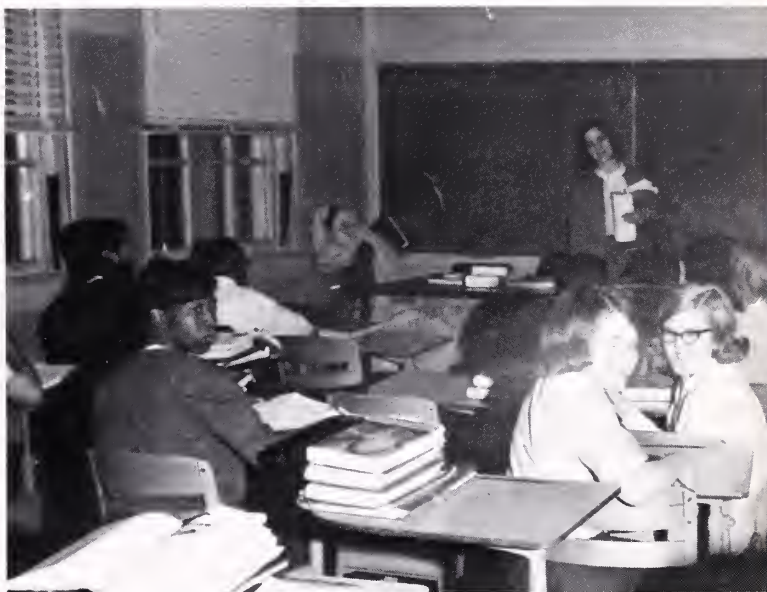

Create Thinkers

Science Classes Present Excellent Fair in Spring

Crash! Bang! "What's that?" "Just Mark Dean walking through the chemistry lab." These comments, as well as many complaints of peculiar odors coming from the chemistry lab, could be heard on the halls of CFHS during fifth and sixth periods.

Students are required to take two years of general science and one year of biology. Those courses prepare them for chemistry and advance biology which are offered as elective courses.

The science department, under the direction of Mrs. Tyree, Mr. Perry, and Mr. Stine, renewed the old tradition of an annual spring science fair at Clifton Forge High School. There were approximately seventy-five projects entered with four prizes awarded in each of the division-biological, chemical, and physical divided into junior and senior grouping. The awards were presented in a special science assembly.

Martha Jo Leech and Carolyn Hall appear more interested in the photographer than Mrs. Tyree.

Mr. Stine's eighth grade science class are hard at work on a test.

Mr. Perry points out the parts of a frog to Sue Topping.

Languages and Social Studies

A knowledge of foreign languages as well as our own is of major importance in today's world relations.

Five years of English are required of each student. The study of literature as well as grammar helps the student understand his own language more fully.

The two years of Latin that are offered give the student a basis for other languages. Students study

Caesar and Rome's history as well as grammar.

The knowledge of Spanish helps us have better relations with our neighbors to the south. First year students learn to speak and to understand. Second year students learn the grammar and composition of the language.

Stress Outside Reading

The social studies department of Clifton Forge High School, with the joint co-operation of Mr. Hayo, Mr. Neill, and Mr. Burton, kept the students well informed and educated on world affairs this year.

Vietnam and various other world situations were discussed throughout the year in all of the classes.

Educational television also aided these classes in their efforts to learn more about our ever-changing world events.

Mr. Neill taught U.S. history; Mr. Hayo taught world geography and U.S. history; Mr. Burton taught U.S. government and world history.

Mr. Hayo's class is busy taking a test.

Commercial and

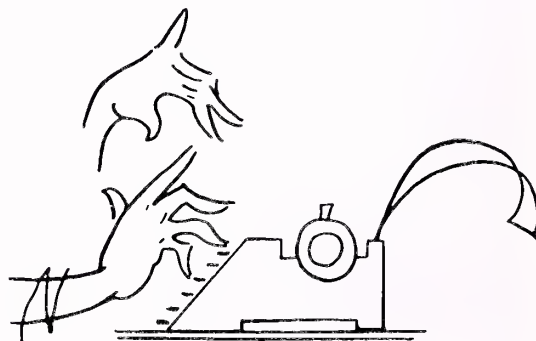

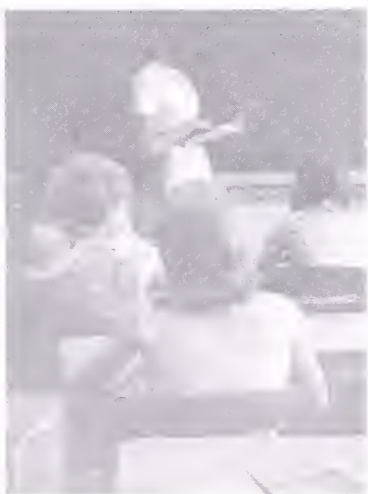

Mrs. Clift assists Brenda Tolley as she types a business letter.

Miss Dreama Flint and Mrs. Jean Clift train CFHS students to become successful businessmen and secretaries. Business English and Business Mathematics were added to the commercial curriculum this year in addition to Typing I and II, Shorthand I and II, General Business and Office Practice. Typists are

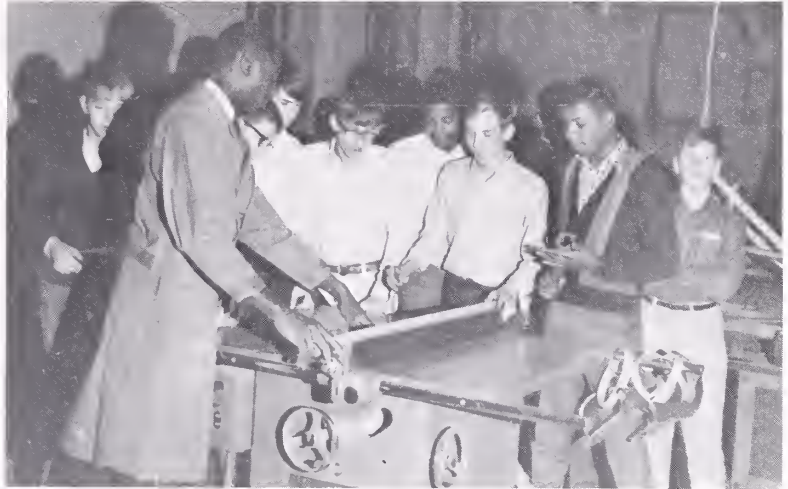

required to turn in a certain number of time writes with no more than three mistakes. Shorthand students learn to build their speed in dictation. The girls taking office practice use various instruments including the dictaphone.

For boys who are interested in vocational subjects, CFHS offers mechanical drawing, and shop. Home economics and homemaking are offered to the girls.

The boys experienced working with various materials such as wood and plastics, and learned how to draw house plans. The girls took up cooking, sewing, and balancing budget.

Mrs. Gretel Anderson instructed the home economics classes while the boys were under the direction of Mr. Richard Trimble and Mr. James McLean.

RIGHT: Mr. Trimble explains various fundamentals to his class.

Art Takes Imagination;

The art classes did a number of different and interesting projects this year. A few of them were printmaking, X-ray plates, sculpturing, mosaics, scratch boards, paper sculpturing, and all types of drawings and paintings. Art exhibits of the students' painting were given during the year. This gave the public an opportunity to view the art students' progress in creative ability. The Art Department is directed by Mr. Charles R. Smith.

Phys. Ed. Takes Muscles

"1,2,3,4. 1,2,3,4." counts the girls and boys physical education classes as they do their warm up exercises. They participated in various sports and games throughout the year including football, hockey, lacrosse, volleyball, basketball, tumbling, gymnastics, softball, track and field events. Besides exercising their muscles, they had to use their minds in health classes or classroom driver's education. During the year many films pertaining to phys.ed. or health were shown to the students. Miss Alma Watts was the girls' instructor and Mr. Richard Janos taught the boys' classes.

Marching Mounties

The 1968 Marching Mountaineers

When it comes to being busy, no one can express this idea any more than the CFHS music department. The most popular organization within the department, of course, is the band consisting of 50 members under the direction of Mr. Ronald Keilholtz.

The highlights for the "Marching Mountaineers" were many. In the fall the band showed their winning ways and school spirit by presenting a half-time show at all Mountie football games, rain or shine, home or away. In accordance with the Christmas Holidays, the band presented a program of Christmas music with numerous Biblical and family settings. On April 4th, the CFHS symphonic band presented the annual spring

concert which consisted of numbers such as "Hello Dolly", "Dramatic Essay", and "Exodus".

May 3rd finally rolled around and the band was "ready and waiting" to represent CFHS in the Apple Blossom Festival held in Winchester, Va.

The music curriculum would not be complete without a chorus. The CFHS chorus is small, but growing. The chorus participated in the "Lion Lites" held by the local Lions Club. The chorus meets every day as the music appreciation class, which not only sings, but also learns to enjoy good music. The music department has worked for better music at CFHS. Rate them I-A.

The many clubs offer great opportunities for students to broaden their interests and friendships. Extra-curricular activities are important for a well-rounded high school life.

In October the new members of the Beta Club were tapped during an assembly. Right away plans for a trip to Washington and Richmond were begun, but because not enough Betas could go, the plans were abandoned.

In December the Betas elected a panel to participate

on Classroom Kwiz. The team of Jan Fliess, Jan Van Horn, and David Warren won two nights and added sixty dollars to the treasury, while the club provided the cheering section.

As in years past the Clifton Forge High School Tri-Hi-Y participated in activities to extend aid and high standards throughout the community. The girls presented the annual Christmas assembly to the student body, and collected for the Heart Fund in February. The club also donated a food basket to a needy family and volunteered its services to help rehabilitate a sick child. Jan Fliess and Cindy Stinnett were elected to represent the Tri-Hi-Y at Model General Assembly. It was a very busy year for the girls in the Tri-Hi-Y.

The Junior Tri-Hi-Y is one of the most active clubs at C.F.H.S. The members attended the district meeting held at Alleghany High School and the officers attended the workshop at Valley High School. The Jr. Tri-Hi-Y helps in many civic projects which included collecting for the Heart Fund and Red Cross. The most profitable project the club did was donating its time and money to help an eleven year old girl afflicted with encephalitis.

For the first time since the club was founded one of the members of the club, Diane Kimberlin, was elected by this Hi-Y district to represent it at the State Hi-Y Assembly at Eagle Eyrie.

This has been a very profitable year for the Jr. Tri-Hi-Y.

It was one of the busiest years ever for the Student Cooperative Association of CFHS. Among the many projects sponsored by the SCA were the sale of CFHS sweatshirts, the collection of bottle caps for the Favorite School Contest, and the Senior Safe Driver Contest. Of course, the SCA also sponsored the annual Homecoming parade and the Turkey Hop.

Made up of homeroom representatives and class officers the SCA carried out all school governmental activities and held several open meetings before the student body. B. C. Williams and Mike Harth attended the state convention. Election of new officers was held in April.

During 1967-68 the ALLEGHANIAN staff worked long and hard to put forth a better yearbook for the students at CFHS. With the help of advisors, the staff succeeded in turning out a better CFHS annual, through good copy, pictures, and layouts. Nightly workshops were held in order to reach the goal of an

Thirty-one hustling Mountaineers started the '67 season with determination and lots of talent. Under the direction of an all new coaching staff, these boys finished their season with a 10-0 record. Coaches C. A. Burton, Jr., Dick Janos, and Bill Hayo guided the big green to its second straight district championship, Little Brown Jug victory, and undefeated slate. The 21 winning streak is now the longest in Virginia.

The Mountaineers opened the season with a 31-0 victory over Buffalo Gap. After soundly defeating Franklin County in the first annual Shrine game, the Mounties won two road games, including a 38-2 slaughter over Allegheny. The Mounties added to the festive mood of Homecoming by rolling past Fort Defiance, 25-13. CFHS opponents were held scoreless until Buena Vista managed 6 points in another Mountaineer win. The following week, the Mounties sewed up its second straight district championship by crushing James River, 33-0.

A cry of, "we've got the Jug and we're gonna keep it", was heard throughout CFHS the following week. For the second year in a row the Little Brown Jug will wear its Green and Gold ribbons.

Junior Varsity Coach Sid Smith discusses strategy with his team. FIRST ROW: Steve Carter, Jim Eller, Donald Perdue, Steve Albright, Kippy Carter, Chip Woodyard, Doug Finestine, Danny Leisure, Lee Crabill, Raymond Kern, Bruce Wood.

SECOND ROW: Jimmy Childs, Neal Pugh, Bobby Ratliff, Tommy Clapsaddle, Gary Bowen, Tyrone Hughson, Mickey Duff, Jerry Miller, Buz Wade, Larry Lewis.

Again this year the CFHS Junior Varsity football team evened its record at four wins and four losses. Although losing twice to both arch-rivals, Alleghany and Covington, the little Mounties, led by quarterback Neal Pugh, combined outside speed and hard hitting with clutch performances and an overall great effort to remain on top in games with Lord Botetourt, James River, and Buena Vista.

The team was made up mostly of eighth graders who played on both offense and defense. With more experience and size, the J.V.'s make excellent varsity potential.

With the climax of the season, the coaching staff, consisting of Mr. Sidney Smith, Mr. William Perry, and Mr. John Jameson, was very pleased with the effort given by all the boys.

Wrestling Comes to CFHS

STANDING: David Agee, Bill Kern, Greg Crowder, Raymond Megginson, Ringo Lewis, Mike Farrar, Carl Perdue, Jim Eller, Bryon Smith, Clayton Persinger, B. C. Williams. KNEELING:

Steve Albright, John Simmons, Larry White, Gary Haynes, Danny Morehead, Gerald McMillion, Steven Bryan, Hezekiah Wallace, Steve Miller, Jake Ross.

The increasingly-popular sport of wrestling was introduced to CFHS this year by assistant football coach Bill Hayo. Wrestling gives an opportunity to boys in all weight classes to participate on their own level.

New mats and wrestling suits were bought for the new team which had a total of nine meets during the season.

CFHS's matmen won two matches, both from

Franklin County High School, also new in this sport. Other matches were with experienced teams, but the "green and gold went down fighting".

During the season Alleghany County High School and CFHS put on an exhibition for the students of both schools given in separate assemblies. With a year of experience under their belts, CFHS looks forward to better wrestling.

Mounties Rebuild in '67-'68

Gregg Valenzuela—manager, Lenford Hatcher, John Morris, Eddie Hickman, Ronnie Volk, Daryl Clark, Danny Marshall, Donald Allen, Mike Kirkland, Mike Harth, Mark Dean, Joe Kern, Mickey Sarig—manager, Coach John Jameson.

The 1968 edition of the Mountaineer basketball team can be described in one word — desire. Although they compiled a record of eight wins and 11 losses and ended up fourth in District 5, the players displayed a strong will to keep coming back and to stay in the game. The average point loss out of 19 games was four points, not to mention that seven of the games were decided in the last 45 seconds of playing time.

The Mounties were considered the most inexperienced team in District 5. They had one letterman returning from the '67 squad, Mark Dean. Their weakest point was in the inexperience of the tall men, Donald Allen, Robert Tyler, Mike Kirkland, Mike Harth, and Daryl Clark, who drew many unnecessary fouls.

Coach John Jameson lauded many of the players for their individual deeds, especially Eddie Hickman, on whom the phrase "most improved player" was tagged.

The best games the Mounties played were the victory over Fort Defiance and the one point loss to James River.

The third game of the season was a home game with the predicted District 5 champions Fort Defiance. The Mounties got Fort Defiance early with good shooting and the score remained in "Big Green's" favor for the entire game. This win over Fort Defiance wasn't an upset or a freak win because the next time the

Mounties met the Indians, it was again a hard fought contest, but the Indians came out on top. The Mounties are credited with the only defeat the Indians had during the regular season.

When CFHS met James River, the season was ending rapidly and the Mounties had a four game losing streak. From the tap of the ball, the Mounties combined team work with desire and led the Knights until the fourth quarter. Then they suffered bad break after bad break and for three minutes they went without scoring a point. Again, as in the previous four games, the Mounties landed on the short end of the tight score. But Coach Jameson described this game as being "the best".

The regular season ended with the Mounties downing Riverheads for their eighth win.

Now the cry, as in past years, was "on to Lexington" for the District 5, Group II tournament. But this year was not to be like past years. The Mounties, playing very poor basketball, lost to Rockbridge in the first game of the tournament. The Mounties placed one man, Mark Dean, on the All District Team. Dean's being placed on the District Team did not surprise anyone for he was the leading scorer in the district and he averaged 24.5 points a game.

J.V. and Eighth Grade

KNEELING: Manager Nat Sledd, Johnny Hutchinson, Kenny Myers, Raymond Kern, Doug Finestone, Mike Glover, Neal Pugh. STANDING: Dale Crutchfield, Donnie

Simpson, David Hickenbotham, John Dotson, Terry Green, David Deisher, Tyrone Hughson, Bobby Irvine, Steve Carter, Coach Bob Stine.

The junior varsity basketball team of Clifton Forge High School had a remarkably good season this year. the team won twelve straight games but lost their next three out of four games. Wilson Memorial, Covington, and James River were the

only teams to beat this year's junior varsity squad. Mr. Bob Stine did an excellent job of coaching these boys through a winning season, and it's a sure thing that his boys will make next year's varsity squad a winning one, also.

LEFT: David Hickenbotham watches as he sinks two against Riverheads in the final game.

RIGHT: Donnie Simpson kicks high as he and his teammates battle for an uncontrolled ball against the Riverheads junior varsity team.

Teams Do Well

FIRST ROW: Kippy Carter, Chip Woodyard, Wayne Wallace, David Bradley. SECOND ROW: Jay Easter, Guy Johnson, Paul

Johnson, David Ralston. THIRD ROW: Wayne Booker, Bobby Ratliff, Gary Bowen, Coach William Perry.

Twelve talented boys composed the 8th grade team this year. Hard work and determination paid off as the boys closed the season with a record of 13-1. Playing each team several times, they competed with other 8th grade teams for Covington, Valley, James River, Buena Vista, Millboro, and Alleghany.

They used a 1:2:2 zone defense as well as a man-to-man defense. The team like to break fast and maintain a quick pace.

Gary Bowen presented a basketball plaque to Coach Perry at the monogram assembly. The team's splendid record clearly shows that these boys and the sport of basketball have a promising future at CFHS.

Mountainettes Active

SITTING: Cheryl Howard, Sally Scruggs, Karen Deaton, Freida Clark, Donna Scruggs, Marion Smith, Carole Deaton, Donna Johnson, Sharon Hughson. KNEELING: Manager Deborah Washington, Coach Alma Watts, Manager Darlene Humphries.

The Mountainettes had a losing season for the first time in many a year. The CFHS sextet ended up with three wins and five losses. Although records sometimes speak for themselves, the 1967-'68 Mountainettes happen to take the opposite viewpoint.

CFHS was well represented in the Tri-County League which had teams more evenly matched than in any other year since the league's formation. The "big game" was a hotly-contested battle with James River, who lost, 30-28, to a fired up bunch wearing green

and gold. Another hard-fought contest was the five point loss to the Queen Bees from Valley who took the victory from CFHS, 51-46.

Senior forward Carole Deaton stripped the nets for the average of 14.7 per game. The Mountainettes got an average output of 11.0 from senior guard Donna Scruggs and senior forward Karen Deaton. The Mountainettes will lose four starters via graduation. They are co-captains, Carole Deaton, Donna Scruggs; forward, Karen Deaton; guard, Donna Johnson.

Co-captains Donna Scruggs and Carole Deaton discuss strategy with their team members.

.500 isn't so bad, especially if you are a young team like the J.V. Mountainettes. Only three Tri-County League teams field J.V. squads, those being Valley High, James River, and Clifton Forge. The J.V.'s

compiled a record of 2-2, losing two to Valley, and winning two from James River. The J.V.'s look to the future for better basketball with a ringing cry of "we'll be back".

Who told the joke? Daryl Clark, John Reynolds, Mark Dean, and Coach Trimble laugh about baseball?

Despite rain and cool weather, the CFHS baseball team bombed out a good 14-6 seasonal record. It was one of the most successful seasons in recent years, and since the team loses only one senior, it promises to be an even greater season next year.

Great pitching and hitting was the key to the success. Clifton Forge was, for the first time, in the race for the District Championship; and although it lost

the race, the team lost to the district champs only by one run, after hard fought contests. It was Coach Richard Trimble's first and last year as baseball coach, but it was surely a year to remember for him, his assistant Mr. Robert Stine, and all the students. The future looks bright for the young baseball team of Clifton Forge High School.

It' a bird! It's a plane! No, it's a baseball. Terry Hall, Jerry Hall, Ronnie Volk, Stanley Nicely, and Mark Dean, await a fly ball!

Williams and Allen

FIRST ROW: Mike Kirkland, B.C. Williams, Donald Allen, "Hinki" Persinger, Carl Furry, David Warren, John Reynolds. SECOND ROW: Richard Burks, Johnny Sanders, Donnie Simpson, Billy Taylor, James McMullan, George Helmtoller,

All-state winner in the shot put B.C. Williams.

The Clifton Forge High School track team had a good season, this year. The team won three meets, placed second in a five-way meet, and made outstanding scores in the other four meets.

Coach Janos had a good number of boys to work with this season. The boys all had varied abilities, which greatly helped our team's success.

In the District 5 standings, CFHS placed second in the low hurdles, third in the broad jump, first in the discus and shot put, and the mile relay team came in fifth.

B.C. Williams placed first in the shot put and fourth in the discus at the state meet at Charlottesville. Donald Allen participated in the low hurdles at the meet. Williams also set a new district record of 54'5" for the shot put which was the best in Timesland.

BELOW: KNEELING: Randy Nicely, Kenny Myers. STANDING: Donnie Simpson, "Hinki" Persinger.

Cheerleaders Build

FIRST ROW: Betty Jo Sims, Susan Sims, Jan Fliess, Delora Johnson. SECOND ROW: Pam Kirts, Betty Lou Chenault, Cynthia Peters, Judy Alderson, Karen Pullen.

3:23, school's out! But not for the cheerleaders. These girls worked hard learning new cheers, practicing and organizing pep rallies. Practice began during the summer and continued throughout football and basketball seasons.

The girls decorated the hall all year and the goalposts for home football games. They were in charge of the election of the Homecoming Queen and her Court. The cheerleaders decorated for the annual Quarterback Club Banquet on December 5. They made

programs and favors. The Senior cheerleaders received gifts from the club.

During the first week of March, the senior cheerleaders held a clinic for girls interested in trying out for the '68-'69 squads. On March 11 the faculty chose several girls from each grade who then tried out before the student body on March 15.

The squad attended a clinic during the spring. They learned new cheers and techniques which they will use to raise more spirit next year.

KNEELING: Assistant Head—Pam Kirts

ON ROCK: Head—Cynthia Peters

The cheerleaders await the start of the 1967 Homecoming parade. They yelled and sang songs on the way to Memorial Park.

Enthusiasm and Spirit

LEFT: "Go, Mounties! Beat Colts." The girls are all smiles as the Big Green romps over ACHS, 38-2.

BELOW LEFT: The squad takes a rest at halftime of the Little Brown Jug game.

Head—Helen Claire Carter. Assistant Head — Susan Stinespring.

They cheer the boys who are enroute to another victory.

"Let's Go!" The girls lead the fans in sideline yells.

A vital part of junior varsity sports is the cheerleaders. The squad consisted of three eighth graders and five freshmen with an alternate also from the Freshman Class. The girls practiced hard to perfect their cheers and displayed pep and spirit at the football and basketball games. They rode in the Homecoming parade.

Golf Program Initiated

Andy Anderson takes a swing.

Is that Arnie Palmer? No, It's Jimmy Saunders.

Bryant Kling tries hard for a "hole-in-one."

"Fore!" Swish! Another hole-in-one? Well, no, not exactly. Seven boys made up CFHS's first gold team. Under the supervision of Mr. Burton, the boys practiced putting and driving on the Cliftdale Country Club course.

Even though they finished the season with a record of 1 and 16, Clifton Forge has taken another step forward in the field of athletics. With more support from the students, this new sport will grow and improve in the years to come.

Look at that form! John Reynolds may win the Masters someday!

Who's helping whom? Coach Burton gives some valuable tips to his pupils.

Homecoming Brings

1967 HOMECOMING COURT: Eighth grade attendant—Nancy Rankin; Sophomore attendant—Edith Vermilya; Homecoming Queen—Barbara Kelley; Maid-of-Honor—Pam Kirts; Freshman attendant—Cindy Coffman.

To keep the 1967 football season a successful one, the students of CFHS worked hard to present the annual Homecoming festivities. The themes of the floats followed the trends of the modern world. Presented by the Sophomore Class, the winning float was appropriately named the "Mountie Win-In".

Following the parade, the Mountaineers played what was thought to be the deciding game in District 5 competition. The undefeated Mounties overcame the previously undefeated Fort Defiance Indians and removed all doubt of who was the District 5 champs. During the half-time activities, Miss Barbara Kelley was crowned Homecoming Queen with Miss Pam Kirts as Maid-of-Honor.

CFHS students are shown here dancing to the music by the Cobras at the "Mountie Happening".

Happiness to Students

Again the trend of the day was displayed by the theme of the Homecoming dance. Amid bottles, cans, advertising posters, and psychedelic lights, the couples danced to the music of the Cobras at the "Mountie Happening". The uniquely decorated dance was presented by the Sophomore Class.

Senior Activities

"Bachelor Father", Philadelphia, prom, Senior Banquet, Class Night, and Commencement will always bring happy memories to the Class of 1968.

“Bachelor Father”

“Oh, Uncle Bentley!” exclaims Kelly, Jan Fliess as David Warren trips over her telephone cord. Ginger, portrayed by Elizabeth Crabill, looks on.

Linda Dunford as Nan Foster chats with Mr. Gregg about a “new Wilson High”. Peter, the humorous Chinese servant in the Gregg household, prepares to make some lemonade in the kitchen. Peter is played by Teddy Stinespring.

Moose Hawkins, Ronnie Volk, pushes Howard, Paul Haynes, while Kelly and Ginger scream in fear.

Grizzly Hawkins, played by George Helmtoller and Kelly settle matters about the lease for the Wrangler Party at the Grizzly Bear Ranch.

Entertains All

Thursday, November 30, 1967, the Seniors presented their class play, "Bachelor Father", a comedy based on the late popular TV series. The play was directed by Mrs. Mary Ellen Griggs.

As the curtain opened, the audience was confronted with the not-so-quiet home of Bentley Gregg (Dave Warren) and his niece, Kelly (Jan Fliess). The boys in Kelly's class had decided that the prom would be held on a ranch instead of the gym. Kelly and friends

weren't about to have a barn dance! Uncle Bentley was plagued by bewildered and arguing teenagers. Not to be outdone, Kelly devises a scheme which would trick the boys into a compromise that would leave the prom in the gym, yet show its antiquity. When her scheme is discovered, fights and very hot "discussions" develop. Soon thereafter, a series of apologies develop in which both girls and boys are ever so ready to shoulder the blame, and make up.

George, Bryant Kling, edges across the couch as Ginger tries to inch away. Howard and his new gal, Eileen, portrayed by Donna Johnson are astounded at George.

Whoopee! The cast glows with excitement as forgotten lines and missed cues are no longer a problem.

May 18, 1968

The sophomore serving girls await the beginning of the prom. They are Nancy Jones, Cathy Alexander, Karen Pullen, Kathy Caldwell, Belinda Tuke, Judy Alderson, Betty Jo Sims, and Edith Vermilya. Ann Kerby, John Mays, Susan Sims, and Donald Allen lead the grand march.

The sweet scent of spring roses and the Soft Strains of "Love Is Blue" transformed the East Elementary gymnasium into an enchanted rose garden for the 1968 Junior-Senior Prom. Anxious couples marched down a hallway, across a bridge, and then entered the gym through a rose covered summer house. Soft light, silver stars, a small swing and a beautiful fountain added to the splendor of the garden.

Barbara Garwood and Vernon Morris chat between dances.

Pam Kirts and Larry Glover listen to the music of the VMI Commanders.

“Love is Blue”

The VMI Commanders provided a variety of songs and beats throughout the evening. Refreshments were served in the school cafeteria. As the evening drew to a close, the crowd dwindled. Finally, to the regret of all, 11:30 came and only precious memories of “Love Is Blue” remained.

RIGHT: Paul Haynes, and Jan Fliess take time out between dances.

BELOW: Beverly Tucker and her father dance in the father-daughter dance.

Charles Moore, Nell Clark, Donna Johnson, and David Simpkins are all smiles at the prom.

Prom Night Arrives

The couples dance slowly to the theme song "Love Is Blue".

ABOVE: Debbie Garrett smiles sweetly at her date Bryant Kling.

The VMI Commanders play divinely for the enjoyment of the couples. They stand in front of the letters telling the theme of the prom.

These couples sit in front of the painted backdrop of a white fence covered with roses.

'68 Banquet Feasts All

On May 24, 1968, the annual Senior Banquet was held at 6:30 at the Alleghany Country Club. The food was splendid and plentiful as was the fun. The food was served smorgasbord style, and everyone thoroughly enjoyed it. Programs were made by the Junior Class.

Mr. C.E. Darnell began the banquet by giving the invocation. Sandy Van Lear, class president, welcomed all the seniors, faculty, and guests. Paige Snead presented a toast to the faculty, after which a toast to the girls was given by Paul Haynes. Debbie Campbell presented the toast to the boys while the girls downed their drinks-water. Everyone joined in a few loud, off-key choruses of "The Band Played On" and "Clementine". A group of senior girls presented two special numbers, "Climb Ev'ry Mountain" and "Where Are You Going?" A humorous skit was presented by approximately thirty seniors representing their version of an ordinary CFHS faculty meeting. Almost everyone enjoyed this Broadway presentation!

The 1968 banquet proved to be a pure delight: food, music, laughter, and, oh yes, the Do Not Touch decorations which were missing after the banquet ended.

ABOVE: Mr. Walter Perkins just ate his sixth plate of shrimp!

BELOW: Miss Van Horn strikes a charming pose for the photographer. These dignitaries are seated at the head table.

Full House Witnesses Class Night

The 1968 Senior Class of Clifton Forge High School take their places to begin Class Night.

LEFT: Class Poetess Donna Johnson recites an inspiring class poem.

Mr. Ronald Keilholtz leads the class in singing "You'll Never Walk Alone".

RIGHT: David Warren and Nell Clark relate past class experiences in the Class History.

Class Night, the night for joking and laughing, was held on June 7 in CFHS auditorium. The night was hot and so were some people by the time that the festivities were over! Following tradition, the senior girls wore white formal dresses and carried a bouquet of red carnations. The boys were attired in white dinner jackets.

Sandra Van Lear, class president, welcomed faculty, parents, and other guests to the long awaited for occasion. A full house witnessed the event, laughing even when they might not understand the joke. Mr. Keilholtz directed the class in "You'll Never Walk Alone" and "Graduation Day". Karen Pullen was the accompanist.

Laughter, Smiles

LEFT: Elizabeth Crabill reads a rhyme that explains a gift she is about to present.

RIGHT: Barbara Kelley and B.C. Williams look into the future and report their findings in the Class Prophecy.

Many of the Class of '68 participated in Class Night. Nell Clark and David Warren were the Class Historians; Donna Johnson was the Class Poetess; Class Prophets were B.C. Williams and Barbara Kelley; The Last Will and Testament was read by Susan Sims and Teddy Stinespring. Donna Scruggs, Donna Johnson, Barbara Kelley, Christine Hickenbotham, Carole Deaton, Karen Deaton, Cheryl Howard, Donna Perry, Regina Hall

sang "Climb Ev'ry Mountain" with Carolyn Nunley at the piano. Sixteen seniors were giftorians and presented humorous gifts to all members of the Class of '68 and to all faculty members. The senior sponsors, Miss Van Horn, Mrs. Griggs, Miss Hughes, Mrs. Clift, Mr. Keilholtz, Mr. Burton, and pianist Miss Karen Pullen were given presents by Sandy Van Lear as a token of their help.

LEFT: Linda Hughes is all grins as she has a ring for Miss Flint.

RIGHT: Donald Allen presents a monogrammed "hanky" to Miss Van Horn as Barbara Garwood smiles her approval.

Fill Auditorium

ABOVE: A group of eight senior girls sing "Climb Ev'ry Mountain".

LEFT: Sandy Mahaney appears startled at one of her presentations.

RIGHT: Susan Sims and Teddy Stinespring read the Last Will and Testament.

Class President Sandy Van Lear gives the farewell and invites all those present to attend Baccalaureate and Commencement exercises.

Graduation Climaxes

The Rev. Walter E. Farrar stands in front of the graduating class as the last seniors march in.

Mr. Darnell congratulates Donna Johnson as she receives her diploma.

That night finally arrived. After five years at Clifton Forge High School, seventy-four seniors received their well-deserved diplomas. After the invocation was given by Rev. Walter Farrar, the salutatorian Jan Fliess presented her speech "Thoughts from the Past". Mr. Ronald Keilholtz, director of music at CFHS, led the seniors in singing "God Bless Our Native Land", a song stressing devout patriotism. Mr. Sam B. Wolfenbarger, principal of CFHS, presented a science award to Jan Van Horn; a year's subscription of *Readers' Digest* to Jan Van Horn; award for having the highest grade in commercial courses to Jane Lawrence; homemaking award to Ione Callender; DAR Good Citizenship Award to Jan Fliess.

Patsy Tyree is presented her diploma by Mr. Darnell.

Mr. Darnell addresses the Class of '68 in a meaningful speech.

Superintendent of Clifton Forge Public Schools Mr. C.E. Darnell gave a short address to the graduates. He shook hands with 74 seniors and distributed 74 diplomas to a happy group of teenagers. Johnny Mays presented a check for the gift to the school, a lawn poster with the school's name on it. Mr. Darnell was given a silver tray by the president for all his help given the class while he was principal. Valedictorian Jan Van Horn spoke on "Plans for the Future". The Class of '68 then sang the "Alma Mater" for the last time as very few tears were shed and screams of joy were common.

Years at CFHS

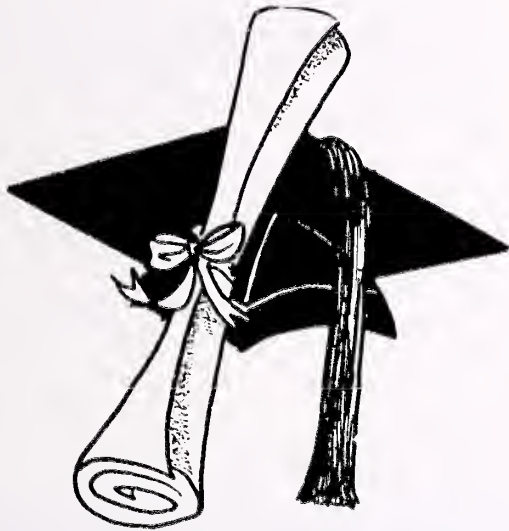

Sandy Mahaney wears a pleased expression at that big moment.

Whee! Ginny Dowdy glows with delight when Mr. Darnell hands her that piece of paper.

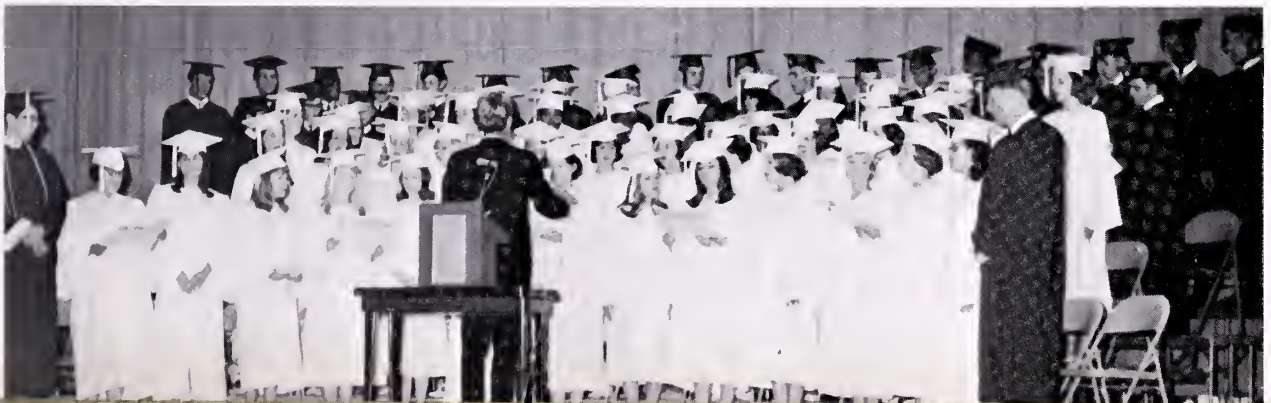

Barbara Garwood smiles as she receives her diploma.

"Thank you!" exclaims Buddy Downey.

"God Bless Our Native Land" and the "Alma Mater" were sung by the Class of '68.

ELECTRICITY: MUSCLE OF INDUSTRY

Behind the great industrial might of America stands a "giant workman" — electric energy. It would require the muscle energy of 70 men working 40 hours a week for one whole year to equal 10,000 kilowatt hours of electricity — less than the average annual consumption of two Vepco residential customers. Yes, electricity is the "muscle" behind our power and prosperity.

Pleasant Memories of '67-'68

Look not mournfully into the past. It comes not back again.

Wisely improve the Future, It is thine.

Go forth to meet the shadowy Future,
Without fear, and with a manly heart.
